### 3. The Article Traffic Trio™

While You Sleep...

Now you can absolutely create this traffic system for yourself using the strategies that I've explained today or **I can do it all for you!**

My team and I will set up your entire **Traffic Trio System** (exactly like my own) at the fraction of the cost of what a freelance contractor or social media specialist would charge. **Plus, we will make sure that:**

1. We set up your EzineArticles articles to **auto-tweet** to your Twitter account, so all your followers know you've just published content.
2. We set up your **Blog articles** to auto-tweet to your Twitter account.
3. We set up your Twitter account to automatically feed to your **Facebook Page**. Your latest articles will be posted with links right to your Facebook Wall. Friends can click, read, and comment.
4. We will **optimize your EzineArticles profile** and offer any other useful feedback.
5. To maximize "article karma" we will set up a **Gravatar** for you, so people feel connected to your comments all over the web.

**Ready to get started today? I knew you would be.  
It's really a no-brainer.**
